- Work 5 dc into the 3rd stitch of the previous decrease.
- Work 1 dc in each of the next 7 sts.
- Sl st to join, fasten off leaving a long tail.

Joining the Hearts:

- Hold both heart pieces together, wrong sides facing each other.
- Using contrasting yarn, secure yarn with a slip knot at the top stitch, and work sc stitches around, matching stitches on both hearts.
- At the bottom point: Work 1 sc into the first two sts, then 2 sc into the 3rd st (increase for curve). Continue working sc around, leaving a gap.
- Stuff the heart gently with fiberfill until nicely plump.
- Continue working sc to close the gap completely.
- Fasten off, leave a tail to attach the keychain clip.

Attaching Keychain Clip:

- Thread yarn tail through keychain clip, weave back into the heart securely.

Puff Flower Embellishment:

- Magic ring: wrap yarn around fingers, insert hook, yarn over and pull through, ch 1 to secure ring.
- Work 10 sc into ring, sl st to first sc to close.
- Puff stitch: Ch 2, pull up 3 loops from the same st, then pull up 3 loops from the next st. Yarn over, pull through all loops. (Puff stitch made)
- Ch 2, sl st into the next sc. Repeat puff stitches around (total 5 puff sts).
- Ch 2, sl st to first sl st, fasten off.
- Sew or glue the puff flower onto the heart keychain.

Helpful Tips:

- When working decrease, keep loops slightly loose to easily pull through.
- For the magic ring, tighten gently to close neatly.
- Stuffing should be firm but flexible for best results.
