Step-by-Step Pattern

Round 1

- Start with a **magic ring (MR)**.
- Ch 2 (does not count as a stitch here).
- Work **12 dc** into the ring.
- Join with sl st to first dc. (12 dc)

Round 2

- Ch 2.
- Work **2 dc in each stitch** around.
- Join with sl st. (24 dc)

Round 3

- Ch 2.
- *1 dc in next stitch, 2 dc in next stitch* — repeat around.
- Join with sl st. (36 dc)

Round 4

- Ch 2.

- 1 dc in each of next 2 sts, 2 dc in next stitch — repeat around.
- Join with sl st. (48 dc)

Round 5 (Base for Pumpkin Segments)

- Ch 1.
 - 4 sc in next 4 sts, ch 3, skip 2 sts — repeat around.
 - Join with sl st to first sc.
 - Fasten off. (8 chain spaces created)
-

Round 6 – Pumpkin Petals (Yellow Yarn)

- Join **yellow yarn** to the top of any **4th sc** from the previous round.
 - Ch 3 (counts as first dc).
 - Into the first chain space: make **5 puff stitches** (yo, insert hook, pull up a loop — repeat 3 times, yo, pull through all loops).
 - Ch 3.
 - Sc into the first sc of the next sc group.
 - Ch 3, skip 2 sts, sc into the last sc of the same group.
 - Ch 3, into the next chain space: make **5 puff stitches** again.
 - Repeat this sequence [*5 puff stitches* → *ch 3* → *sc* → *ch 3* → *sc* → *ch 3*] around until you complete 8 puff groups.
 - After the last puff group, ch 3, sc into the first sc, ch 3, then sl st where you joined the yarn.
 - Fasten off yellow.
-

Round 7 – Pumpkin Segments (Green Yarn)

- Attach **green yarn** in any ch-3 space.
- Ch 6, dc in the same space (forms one side of a segment).
- Ch 1.
- Now, *pick up the top loops of each of the 5 puff stitches from previous round* (you'll have 6 loops on hook). Yarn over and pull through all loops — this closes the puff group into a segment.
- Ch 1.
- In next chain space, work **(dc, ch 3, dc)** → this is a **V-stitch**.
- Ch 1, close the next 5 puff stitches together as before.
- Continue around repeating *V-stitch in chain spaces + close puff stitches* until end.
- Join with sl st on top of beginning chain 3.
- Fasten off green.

👉 At this point, the coaster may curl slightly inward. Don't worry — the final round will flatten it.

Round 8 – Pumpkin Border (Cream Yarn)

- Join **cream yarn** into the center of any V-stitch.
- Ch 2 (counts as first dc). Work **6 more dc** in the same space (7 dc total).
- Now, across the pumpkin edge:
 - 2 sc in the right gap,
 - 1 sc on top of the closed puff cluster,
 - 2 sc in the left gap.
(5 sc in total across each pumpkin segment.)
- In the next V-stitch: work **7 dc** again.
- Repeat this sequence (*7 dc in V-stitch, 5 sc across segment*) around until all 8 pumpkin lobes are formed.
- Join with sl st to first dc.
- Fasten off and weave in all ends neatly with a tapestry needle.

✅ Finishing Touches

- Gently block the coaster if needed to flatten.
- Your pumpkin coaster should measure about **11 cm (4.3 in)** across.
- Feel free to make a set in orange, yellow, cream, or even fun fall colors like burgundy and brown.

🍁 Tips & Variations

- Try making the coaster with **chunky yarn + bigger hook** for a placemat version.
- Add a little **green leaf applique** to the top for a more realistic pumpkin look.
- Use **cotton yarn** if you want more durability and easy washing.
