

Crochet Witch Hat Keychain

This crochet witch hat is worked from the top down in joined rounds. First, you'll crochet the cone, then add the contrasting color band, and finish with the wavy brim.

At the end, you'll attach the keychain clip and add copper wire inside the hat to help the tip hold its curved shape.

Materials

- 5-ply yarn, medium in thickness
- 50% cotton, 50% acrylic yarn was used in the tutorial
- 2.2 mm crochet hook
- A 2.0 mm or 2.5 mm hook can also be used
- Keychain clip
- 3 mm copper wire for shaping

You can use any color combination you like.

For this pattern:

Color A: Purple

Color B: Orange

Chain 1.

Work **2 single crochets in every stitch around**.

Continue until you have worked into all 45 stitches from Round 16.

Stitch count: 90 sc

After the final 2 single crochets, cut the yarn.

Use the yarn end to make an invisible join at the first single crochet.

Hide the yarn ends at the back.

The crochet portion of the hat is now finished.

Attach the Keychain Clip

Bring the yarn tail from the magic ring **up to the top point of the hat**.

Use the tail to attach the keychain clip.

Add the Wire for Shaping

To give the top of the hat more shape, use **3 mm copper wire**.

You can use another type of support if you prefer.

Fold the copper wire in half.

Once folded, the wire should not be longer than the hat.

Place the folded wire inside the hat so it sits fully against the inside.

Bend the tip slightly to the right, as shown in the video.

The wire will help the tip curve into shape.

Your Crochet Witch Hat Keychain is finished.
